### POSITION DESCRIPTION:

- Work with customers, Software Engineers, Architects, Capability Managers, and other team members to capture capability needs and drive quality business solutions. Create and maintain deliverables such as business vision, requirements and personalization to different clients, and user interface design.
- Participate in the full software development life cycle by actively participating on Agile scrum teams in various roles, including, but not limited to, Scrum Master, Business Technical Analyst, User Interface designer, Capability Manager, or Tester, based upon experience and need.
- Effectively tests the software both by creating automated tests and performing manual testing.
- Keeps software defect rates low and user satisfaction high.
- Ensure compliance for required standards and all necessary approvals have been obtained throughout the project lifecycle.
- Effectively communicate with team members, customers, partners and management, including assisting with or conducting requirement walkthroughs and sprint reviews, reporting project status, enabling vendor solutions and providing accurate and concise documentation.

### QUALIFICATIONS:

- Bachelor's degree in Business Administration, Business Management, Information Systems, or related field.
- 3-5 years in IS/IT.
- Excellent communication skills, SQL skills, analytical skills, report writing, and problem-solving skills.
- Knowledge of Agile Methodology and Agile Project Management.
- Knowledge of COBOL
- 1-3 years in the Health Insurance Industry, preferred.
- 1-3 years in Lean/Six Sigma experience, preferred.
- Knowledge of Python, Java, and/or Java Script.
- Certification such as JAVA Developer, DB2 Certification, Cognos Certification is a plus
- Strong computer skills including a basic HTML and CSS knowledge
- Experience with OSCAR and or ITS/Blue Card Claim Processing preferred.
- Certification such as Information Technology Infrastructure Library (ITIL), The Open Framework Group (TOGAF), Six Sigma, and Project Management Professional (PMP), all preferred.
